A critical evaluation of the ‘Protestant Ethic’ and the spirit of punishment

**These works expose and take serious issue with all
forms of legalism and unredemptive, retributive and
partially retributive ‘punitivism’ – whether in Church,
Society or the State – inclusive of the history of ‘the
Protestant Ethic and the Spirit of Punishment’ as unloving
and unjust, defaming and dishonouring both God and
Gospel and the Spiritual genius of Grace-Based ONLY
Justice!**

The author demonstrates that the spirits of Mammon and
Mars, Moralism, Secular Humanistic and Collectivist
Totalitarian Man, along with the ‘Messianic State’ and
their thrones as the Measure of all things good and right,
beautiful and true, **are all idolatrous denigrations
and criminal desecrations** of the embodiment of

Personal pure Grace and salvific Relational and Governmental Truth and Righteousness cum Justice, as it is found in the SOVEREIGN Jesus Christ ALONE.

These rebellious spirits are called out, named, confronted and challenged as denying and defying Christ's superior Authority, His unfailing Goodness, His incomparable Equity, His awesome Power, along with the welcome equity, the joyous Liberty, and the salvific restorative efficacy of the Superabounding FREE GRACE of the Gospel of the one Sovereign LORD Jesus Christ.

These deceitful anti-Christ and Christless Spirits, we believe, are persuasively portrayed as inclusive of the 'angelic' but prideful Self-Righteousness of Self-Made Man – whether Private OR Public - as Master of the Universe; **along with the Unconscionable abuse of coercive power such as MANDATORY Reporting to the virtual Police State:** – all of which are shown up to be diverse manifestations of the desires and deeds of dark and damning, accusatorial and judgmental Spirits – in spite of any 'must do good' or compulsory 'Good Samaritan' neighbour cover and façade. Worse, we are persuaded, as the author reveals, that they all are subtly and/or manifestly opposed to the Good News of the FREE Pardon of the LORD Jesus Christ, or to His FREE Justification and the Grace-Based ONLY JUBILEE Justice of the Gospel and Kingdom of God.

These demonic powers are shown to be, until now, well ensconced on the thrones of the Kingdoms of this world, especially in the Institutions of the Nation State: and are also exposed as bearing ignorant and false witness to the eternally unchanging character of the Triune God as MAGISTERIALLY MERCIFUL and quintessentially Holy Agape love – [and so NEVER Loveless, Graceless or Merciless]; **besides being radically incongruent in**

Motive, Message and Means deployed (Instrumental and Hegemonic Power Rationality), DEVOID of the exclusively Loving Relational Motivation and unique Compassionate Methodology of the New Grace and greater Glory of God's New Covenant of Grace-Based ONLY Justification AND Justice!!!

The author is jealous that **no form of legalism or punitivism or Moralism or any other Christless 'ism'** or any other 'justified' CHRIST PLUS supplement and/or SUBSTITUTE for the New Creation Gospel and Salvific Justice of Christ and His NOW Kingdom, should ever be allowed to enter the doors – whether the front door or side door or the back door - of the Church and Kingdom of Christ.

To that end the author proves, in successive volumes, among many other so called 'lawful' things, that tithing is no part of the New Covenant, **and we ought therefore not place ourselves back under the Law and so make Christ of none effect to us and a burden to others!!** It also lets the professing Christian rich off the hook, many of whom amass great wealth, while hiding behind giving away a measly 10% of their income, while some are giving 90% away!!

These works argue that any believer or any institution: –

- (whether Church, Society or State) who relies on observing the laws of Moses – such as the Sabbath Law, the Law of Kosher foods, the Law of Circumcision, or the Laws of Tithing):
- **who legislates and transposes the Laws and curses (punishments) of the Old**

Covenant of Moses into the NOW BINDING Universal New Covenant of Grace and Grace-Based Justice – such as the death penalty for selected crimes - **for the sake of Righteousness or as a necessary legal requirement of the New Covenant** OR as a Justifiably necessary warrant for the due administration of (Christlike or other forms of) SECULAR Justice;

- is then placing themselves under a different Gospel and the administration of a different Law- Covenant, wholly ALIEN to that of the LORD Jesus Christ, and so **Must Remain** under Christ's CURSE as pronounced by Paul (Gal. 1).

While we show that there are clear and critical dimensions of forensic Justice in the New Covenant since it is also a Blood Covenant and therefore requires the retribution, expiation and propitiation of all personal and institutional debts, demerits and due penalties as part and parcel of what Christ atoned for :

YET – Relationships under the New Covenant of Grace are NOT determined, delimited or defined by the accounting, moral and legal categories of debts, demerits and deserts!!

They may, like the present earthly Marriage Covenant constitute the boundaries of a God glorifying and satisfying heterosexual marriage – YET it is not law but agape LOVE that motivates it and makes it all function with so much Spirit anointed fragrance and fruit - so faithfully, enjoyably and so easily!

We are fully justified, truly accepted in Christ and rightfully adopted as His children, and **so now enjoy God's free Fatherly favour, being altogether freed from the demands of any and all burdensome commands**, along with the guilt-tripping manipulation, curse and coercion of all Christless and Loveless Law – **including STATIST Law!!**

Thus I show that New Covenant believers are exhorted by Paul to give spontaneously by living freely and sowing generously from a FULL and overflowing LOVING HEART – with the free reception and welcome enjoyment of the fullness of God's FREE favour as a **voluntary and cheerful and Response-able expression of their daily experience of the free love of God in Christ and true apprehension of the needs of others** (2 Cor. 8:1, 6, 7, & 9)].

.....

We dare to say that these definitive works are prosecuted from an authoritative position and divinely appointed place of Victorious Blessed Rest in Christ alone for both Justification and Justice, for both Love and Liberation, for the overflowing JOY of all people and every Nation in God, through Jesus Christ and the Holy Spirit!!

We firmly propose and strenuously argue that humanity can only live victoriously and masterfully by living and fighting, worshipping and working and witnessing the Truth in Love by faith Alone in Christ ALONE - **FROM and FOR a global and cosmic victory already legally attained in Christ** when He said "It is finished"

– but YET to be fully manifested in History as Globally and Graciously victorious!

We contend, in line with the Scriptures, that we are NOW ascended in Christ and seated with Him in the Heavens at the Right Hand of God the Father, and so as both Justified and Just, Spirit-Filled and Mature Christian believers, and **are NOW Ruling with Him above all earthly and evil principalities and powers:** - where I and the rest of all true Believers in Christ are Reigning in life through the superabundance of His Grace and the GIFT of His JUBILEE Righteous Justice (Rom. 5:17) - as elect recipients of the Father's Ceaseless, Limitless and Bottomless, Pardoning and Reconciling Peace-Making Agape Love!

We argue at length in these works that we are now living in the Latter Glory Days of the Blessed and Happy Triune God of the Gospel of the New Covenant, and like Joshua and Caleb - but MORESO - we, with Christ have already been promised Paradise Restored, including ALL the Kingdoms of this world!! **And we have not been thrown a goolie or a googlie!!** Now we must go up and possess His and our Rightful possession as heirs of Christ, as responsible and RESPONSE-ABLE, as called and qualified and gifted victorious co-regents with Him over this present Earth, so that God's will is and will be done NOW on Earth **as it is in Heaven!!**

These works explain WHY WE MUST AND HOW WE CAN - through the publication, incarnation and comprehensive application and embodiment of the **Comprehensive LOG of Claims and Demands** of the Gospel of God and the New Covenant of Grace, inclusive of Grace-Based Justice alone:

Eventually bring them all into harmonious and congruent alignment with a Transformed Church, City, and Culture - so as to intelligently and strategically build the Kingdom of God under the powerful anointing and leading of the Holy Spirit, and thus hasten the second coming of Christ. But as so many of our present day Reformers have warned, **this will require a global 'warfare' 'offensive,'** optimistic proactive mentality among all the pastors and churches and believers of the Christian Church.

Thus we avoid the dead end road of a naked fundamentalism which preaches Church and Gospel falsely separated from Government and Culture; also we forestall the fallacy of Liberalism which is Church and Culture without the confrontation and change of the Radical Gospel; and we are alerted to the error of preaching the Gospel and embracing the culture separated from the Church or Body of Christ.

We show that WITHOUT all three coming together in Christ we will fail to change the world in any radical or permanent way. "It will require nothing less than the Government of God to dispossess and occupy the territory (now) dominated by the gates of hell. This is a supernatural commission that requires the Holy Spirit and spiritual authority to pull off" as Lance Wallnau has so superbly said in *The Seven Mountains Mandate*, in *The Reformer's Pledge*, compiled by Ché Ahn; 2010.

We take seriously the crucial PRESENT TRUTH of Christ's PRESENT REIGN in Revelation 11:15 "The Kingdoms of

this world HAVE BECOME the Kingdoms of our Lord and of his Christ, and He shall reign forever and ever!”

These works strenuously argue for and defend the essential proposition that the Kingdom of Christ was established Legally and Definitively at Christ’s FIRST Coming – when Satan was legally bound and put to public shame by Christ’s ‘D-Day’ or Decisive Victory over sin and Satan and Death at the Cross (Col. 2:15).

We argue from the genius of the Gospel and from the glorious promises of both the Old and the New Covenant, that **Christ’s Kingdom will be Progressively Manifested, will be Powerfully Realised and Publically or Universally Vindicated within History in a decisive and victorious way** – “of the INCREASE of that Kingdom (or Government of Grace and Peace), there shall be no end” (Isa. 9:7 cf. Dan 2:44; Col. 1:15-20, and Eph. 1:10, 2:6-7; 1 Cor:15:24-28); and then will be finally consummated and brought to full maturity at Christ’s Second Coming!!

NOTE: The **Bibliography** of over eighty five pages appears in EACH of the completed volumes to come. These works are based on decades of relevant and Spirit taught, disciplined and Christian reflective experience, and extensive reading and research!

Of course I have drawn upon many diverse sources theological and otherwise, and have acknowledged the influence of the most critical ones in subsequent volumes, though **much of this work is original** and a product of my own Holy Spirit LIVED, and fully tested reflective experience, and now interpreted written experience.

.....

These extensive works expose the '**Black and White, Red and Green Spirits**' of Anti-Christian and punitive thinking and praxis found in the Christian Church, *as the one that pessimistically and pathetically* [even on supposedly Biblical grounds since times are allegedly only going from bad to worse and that irresistibly] *supports the extant status quo in Society cum State:*

As that 'Dark Light' Spirit that proactively, denies, defies and **resists the present and progressive** Materialisation of the now Regnant Grace Modality of the Kingdom of God – as the Dark Spirit of prevalent fear, unbelief and unlove – and the one **that wants to put out of commission the definite and progressive historical fulfilment of the present Great Cosmic Commission of the LORD Jesus Christ**, in this era, this side of the Second Coming, or this side of the Glory Modality of the LORD Jesus Christ.

Sadly we have to show, that many parts of the Christian Church have NOT followed their Master in freely extending to sexual and other criminals "our pity, our love, yes our respect, for the great suffering they bring upon themselves. To call them names is not a Christian trait. The most terrible waste is the waste of mind. It is such a waste to invent something that would put an adversary to shame." (Richard Wurmbrand in ***Reaching Toward the Heights***: p. 234, Living Sacrifice Book Company; 2009 [1979])

Instead of lighting in their hearts the flame of love for Christ because of Christ's UNCONDITIONAL and Unfailing Love for THEM, even for the WORST of offenders - **the embarrassed Christian Church has been humiliated by its complicity in child sexual abuse, and has been seduced into abysmal silence and conned into abject guilty submission** to the raptorial and Reproachful Collectivist Big Brother State doing its rapacious best (or worst) in the name of the best interests of children and Families.

And sadly, many Christian '*lapsi*' Pastors and Gospel apostate leaders are no longer "contending earnestly for THE FAITH ONCE FOR ALL delivered to the saints" (Jude 3; capitals mine) but have turned from being shining stars of the alone blessed pardoning and justifying righteousness of the Lord Jesus Christ the JUST ONE (Dan. 12:3; cf. Jude 13) – to being practitioners and advocates of another false Gospel and pseudo substitute Anti-Christ syncretistic Statist Justice, **which finds Christ's FREE GIFT of Pardoning Justice offensive and unfair and totally irrelevant!**

We prove extensively in the following works that these 'bewitched' believers and Legalistic and Pharisaical Ministers of Religion have FALLEN from Grace ALONE (Gal. 3:1-3), have lost their joy (Gal. 4:15; 21), and become wandering stars, compromising with the carnal wisdom of the whole world which is a prisoner of sin (Gal. 3:22).

They are also becoming unlike Christ – not showing Christ's pattern of good works (Titus 2:7) but becoming cold hearted and unfeminine of soul, being unfeeling and unempathic with the crucial NEEDS of the most heinous of criminals; being ready to be con-joined with the enticing

promises, succumbing in abject fear and false loyalty to the 'deserving' persecuting powers; "boasting in [self-righteous] human flesh" (Gal. 6:13); unquietening souls and disrupting families with the heavy weights of their burdensome demands; and "spoiling the vines" with their exactingly 'Just' **but Graceless and Merciless and Christless deserts based Justice**, grounded under man's 'Rule of Law' or Secular Only Punitive 'Justice'.

They THEREBY avoid being persecuted for the sake of the ATONING work of the Cross of Christ rather than boasting in it (Gal. 6:12; cf. 6:14); **Making a Mockery of God's Restorative Justice** (Gal. 6:1-10), "perverting the Gospel of Christ" (Gal. 1:6-9), "**making Christ of no value**" (Gal. 5:2), "reaping destruction" (Gal. 6:8); sabotaging the Life and aborting the fruits of the Spirit (Gal. 5:16-26), instead of insisting upon our freedom in Christ (Gal. 5:1ff), and abiding by "the Peace and Mercy" of the New Rule of a New Creation and a New Just and Justifying Righteousness in and through the Sovereign LORD Jesus Christ (Gal. 2:5-16; 5:1, 4-6; 6:12-18).

They have been idolising the 'Us and Them' Christless and 'exclusive,' punitive, self-sufficient and autonomous Anti-Christ State; therefore failing to PERSONIFY the Authority, Sovereignty and Righteous Rule of Gospel Grace; failing to embody and confess personal cum Public TRUE TRUTH "God be merciful to me a sinner" (Lk. 18:13); failing also to obey and to exemplify the Transformative Power of Christ's New Covenant New Creation, by NOT endorsing, teaching and discipling Grace-Based ONLY Christlike Pardoning and Redemptive Justice.

These works demonstrate that such Christless and uncaring secularised and sacrilegious persons **are irresponsibly contributing to the criminal desacrilization of a faithful, hopeful and virtuous society**, through its loss of the depths and manifold dimensions of Christlike loves, friendships, compassion, humility, hope; especially through lack of forgiveness and faith, loss of courage and intolerance for truth, especially Gospel Truth.

Is it any wonder that we are currently experiencing in our society, and in much of Western Christendom a spiritual degeneration with a hardening of its heart; producing a fearful, **isolated, dependent, unfeeling and intolerant people** who are being depersonalised and sclerotized with unbelief and unlove?:

Producing a bitter and fear-filled 'wounded' victim culture, unable and disqualified from being competent judges and Christlike peacemakers; thus seeking through psychological and spiritual overcompensation an unhealthy co-dependence on the Collectivist security State, producing an UNSALUGENIC and **UNSHALOMIC** idolatrous valuation of and loyalty to **the false 'Strong Man' pseudo Messianic State?!**

These works demonstrate the unviability and futility of employing Double-Minded duplicitous standards of right and wrong, of ethics and law; with one rule of love for personal, Family and Church relations, and another irreconcilable rule of loveless 'justice' for Public law.

This becomes part and parcel of personal and familial meaningless dysfunction and relational pollution, making for societal confusion and

**fearful pragmatic political scapegoating
'solutions' that contaminate our moral and legal
relational landscape and cripple people in the
'due' process!!**

WHY - because they facilitate, encourage and allegedly justify people into leading a double life, **falsely justifying the bifurcation of reality into Two Realms with Two Wills of God** - one rule for personal, family and ecclesiastical relations and quite another for Public and Governmental life. But God does NOT have two minds and two wills but ONE 'Law' for His New Creation, already established and ratified in Christ 2000 years ago – even HIS Agape or love filled Grace-Based Justification AND Justice to be made available to all comers – believers and unbelievers and all forms of Governance - irrespective of their deserts!!

Such Double-Minded personal cum Public morality and legality, particularly under the slavish and secret societies of European Communism prior to 1989, has been greatly lamented by Vaclav Havel and others **before the people rose up as one** and threw off the heavy yoke of slavery to the Totalitarian State.

These works contend earnestly that such Christless and duplicitous and BURDENSOME double standards cannot and MUST not be tolerated - if we want to be free persons with a free conscience, with the FULL Rights of being or becoming children of God, with freedom of Religion and freedom of expression, living in harmony in a free society; without having to pin our faith on the sleeve of a Repressive State, but tolerating only minimum JUSTIFIED

Governmental intervention in the DEMONSTRABLY highest Public good, and so REFUSING to be DOMINATED by Big Brother and DUPED by the pseudo Do-Gooder and patronising Welfare State!!

These works expose the 'GENTLEMEN of DECEIT' who prefer sacrificing incense before Caesar's statue and worship his 'Legal' statute as the **defacto and 'delegated'** LORD of Justice, under the guise of obeying Rom. 13:1- 4, **rather than being willing to suffer loss with our fallen brethren, and to share their fate with them**, while seeking to Restore them back to their Father and Saviour God, even to His Prodigal, FREE and fully accepting, celebratory, transformative and paradisiacal Grace (Lk. 23:43).

Yet there is even hope for these former covenant breakers to be fully converted and to become filled and controlled by the Holy Spirit freely choosing prison and death if necessary!!

This and the following volumes reveal that the dyslexic and scrambling, 'lettered' but 'reverse reading' legalistic Mandatory Reporting Church has been exposed as suffering a severe perceptual disorder lacking in vitamins M and R (**True Christlike Morality and Religion**); instead of being strong in the Agape LOVE of the LORD and only acting as Christ's Peacemaking and Salugenic Grace-Based ONLY Justice practitioners – being strong in the might of His Magisterial Mercy as now Mandatory!! Such 'polite' 'law abiding' and Moralistic performing Pastors have been behaving in a very 'unseemly' way – **acting more like 'wolves' and 'foxes' and 'dogs', 'fools, 'hypocrites' and 'vipers'** – to use the very words of Jesus!!

All men must be loved but we CANNOT and dare not behave and relate to the 'sheep type' and to the 'wolf-type' in the same undiscerning and imprudent way!! As Richard Wurmbrand has testified from costly personal experience, **“All REAL Christians are fighters against injustice and cruelty. Therefore they are persecuted. Don't be satisfied with personal salvation. SAVE OTHERS ALSO.”** (Op. cit; p.146; emphasis mine- jcw)

Thus these works argue strongly that the TRUE Christian Church OWES the State the Bold Testimony of Unadulterated NEW COVENANT and Bright Gospel Light – even the very PERSONAL and PUBLIC beautiful mix of Grace WITH Truth in these crucial matters of **'SMART' Christlike Justice!!** NOTICE that True Truth, Liberating Truth and Transformative Truth – or the Truth that Matters – is on the side of Grace and NOT Law – and Like Jesus Christ Himself who is FULL of Grace and Truth, and His Body in a lesser way – **WE must continue to speak TRUTH to Power and GRACE to Merciless Law as His Mouthpieces!!**

These works demonstrate that the False Messianic State has effectively stolen Truth's clothes in an act of naked power [Erastian and Totalitarian fear-mongering Tsarist hegemonic power, with the truncheon of Prisonisation as its threatened trump card, even for Ministers of Religion who don't or won't cooperate with the State's Repressive Reporting agendas]:

Truncating and aborting the Gospel of Grace-Based ONLY Justice, while the hand-wringing defensive Church has been too ashamed to do justly by loving Mercy, and so to walk humbly and proffer a Christlike timely FREE pardon to believing former offenders in the 'naked'

Public Square, with a Gospel and Public Justice devoid of any PUBLIC credibility; instead deciding to cover itself and to parade itself in Falsehood's clothes RATHER than INSIST on Gospel and **Now Kingdom New Covenant TRUTH** in all Public Governances and Justices!!

Thus Ministers of Religion and large sections of the present Christian Church, instead of flying to the Devil and grabbing him by his throat, seated upon his strongholds in evil Statist systems - and seeking to bring every thought captive into the Gospel obedience of the LORD Jesus Christ –have rather been shamefaced by their arch nemesis **who has handcuffed a Christlike Mandated Gospel Justice for all.**

These works show in a distinctive way that such Satanic systems and structures, under the guise of goodwill and good works are being driven out of woundedness, (as Dr Lance Wallnau from the Lance Learning Group and others have exposed), and are being manipulated by deception, untruth, fear, unlove and bitterness – particularly in the Child Abuse Industrial complex.

Their 'professionals' have readily employed and blindly followed Mischievous stereotyping of sexual offenders, dehumanizing them with their 'I versus it' and 'Us versus them' demonizing of their and society's enemies by a superficial, faithless and loveless analysis of the problem persons, *resorting to prisonisation as a silver bullet solution, and thus refusing to practise TRUE Gospel Truth and True Gospel Justice in Government.* And sadly the 'Shepherds' of the sheep, instead of committing themselves to the conversion and Discipling of the systems, are instead, running with the wolves!!

There works illustrate that there continues to be increasing evidence of an abounding lack of real accountability - as *in the case of the ongoing stolen generations* – manifesting an ugly and *noxious lack of both creative and Redemptive imagination* in dealing empathically and effectively with sexual and other criminal offenders.

.....

Jesus Christ's *Novus Actus Interveniens*

We demonstrate and argue in the following volumes that the professing Church of Christ is guilty, along with the godless State, of ignorantly and wilfully forgetting **Jesus Christ's *Novus Actus Interveniens*** (read about this by Paul in the book of Philemon; the story of the Good Samaritan and Jesus Christ on the Cross as our substitute, taking our place as the Judge and acting Justly in our place, making full reparations and restitution for us and for all our and His victims): - **and thus of criminally setting aside as a CRUCIALLY RELEVANT Publically necessity**, the TRANSFORMATIVE TRUTH of the Distinguishing Justice and Merciful Public implications of the UNIQUE AT-ONE-MENT CROSSWORK of the LORD Jesus Christ for civil, criminal, familial, social, economic and all other Justices.

Thus it is no small wonder that so many irresponsible and immature professing Ministers of Religion and believers idly sit by and naively comply, washing their hands in supposed innocence, and insist **on claiming and exercising their now 'Rapture Rights,'** having 'dropped

the match' and their catch before the time - saying you can't polish brass on a now sinking ship!

We show that such faithless and injudicious persons are devoid of Heavenly Wisdom with a deficit of present Divine Dunamis Authority and Power; refusing to seize and to fully OBEY God's New Covenant, New Creation and Gospel initiative, and so to fully embrace with Him as Christ's co-heirs and co-workers:

As a NOW Grace-Based GOD entranced Vision of all things - inclusive of a present irrepressible and realistic hope for the ever expanding Reign and Global Remedy of the ALONE Righteous Rule, of the ever increasing Gracious Governance of the now SOVEREIGN LORD JESUS CHRIST, and us in Him and with Him, and through Him, as the present Desire and prophesied historical Joy of all the Nations (Isa. chapters 2, 7, 9, 11, 65-66 cf. Ps: 2, 44-48, 72, 110; Dan. 2, 7; Mt. 28:18-20; 1 Cor. 15, et al).

Such pessimistic believers are incarnating a FALSE and UNBECOMING GOSPEL, waiting for Christ to come again the second time to rescue the Christian Church from historical oblivion and from a failed Christ authorised and anointed NOW Grace-Based Earthly Dominion in answer to the Lord's Prayer. Rather, we argue that they are passively awaiting the return of Christ in absolute powerful coercion to destroy the works of the evil one, **without having FIRST given DUE and FULL COSMIC personal cum Public and Political PROOF** of the decisive Historic SUCCESS and incomparable Global Blessing of CHRIST'S Great Commission in this ALONE Holy Spirited Grace Modality of the NOW Kingdom of God:

[With its alone PROMISED and PREDESTINED, visible and virtuous, UNIVERSAL Dunamis Holy Spirit POWER – for the Magisterially Merciful conversion of Israel and the Gentile Nations – see Rom. 11 and 1 Cor. 15 end]:-

Through the ‘Starburst of Hope’ and the envy of the world - of the SUCCESSFUL Gospel of the Now Kingdom of Grace-Based ONLY Justification AND congruent Christlike Agape or loving Justice – against which there is and can be no other or greater Law and no more real and promising Redemptive and Restorative Reality!!

.....

Thus we believe that these volumes qualify as a front line, cutting-edge and frontier-type Theological and Theocentric work. They are a radical (‘root’), dissenting, supernaturally graced and ‘calced’ work that is richly experiential, intensely spiritual and thoroughly practical.

This extensive work seeks to illuminate the comprehensive scope of the AT-ONE-MENT of Jesus Christ **as a crucial catalyst** for both personal **and** Global Peacemaking transformation into Christ’s **already- but-not-yet- FULLY- arrived** New Creation.

I present cogent argumentation that God the Father’s predestination, Christ’s promise and the Holy Spirit’s powerful provision is for a NOW radical newness of life for individuals who are and desire to be reconciled to God through Jesus Christ, **with Christ – NOT ‘the Law’** - living and abiding in them (Col. 2:19-20 cf. 2 Cor. 5:17): **along with** God’s ongoing Historic and Public Redemptive work – through US - within the present created, Familial, Governmental, organic, structural and Institutional orders of Creation - for their radical REDEMPTIVE

Recreation, Renewal and Maturation in Christ the Master, and the alone Mediator between God and Man.

Jesus Christ is the Beloved Personal power and performance of Emmanuel or God's enfleshed **Presence** with us and **Power FOR us** - with the promise of a new Bethel (house of God) and a present Bethlehem (House of Bread as our source and supply of all our needs) and a future Betrothal or the promise of a future Marriage of the true Church of Christ with their Beloved at the Marriage Supper of the Lamb of God!!

I argue that Love's Unfolding Dream of God's Big Picture, His Divine Political and Salvific Economy, and the Trinity's Present and 'Future' Dreaming and Doing **through the New Covenant's Dispensation of Grace, or the Grace Modality of the Present Kingdom of God** (1 Cor. 11:23-25) is **nothing LESS** than a GRACE TRANSFORMED and so "always being Reformed" global Church and 'City' of a VAST multitude of Lands, Peoples and Nations.

I show in numerous ways, along with the insights of such brilliant writers as John Piper, that God's delight in being God; the Pleasure of God in Himself and especially His Son; the Pleasure of God in all that He does; the Pleasure of God in Creation; the Pleasure of God in His Fame; the Pleasure of God in Election; the Pleasure of God in Bruising His Son (the ATONEMENT); the Pleasure of God in Doing Good to All who Hope in Him; the Pleasure of God in the Prayers of the Upright; the Pleasure of God in Personal Obedience and in Public Justice:

And so much more – such as **THE LIFE OF GOD IN THE SOUL OF MAN** - will surely and abundantly secure the promised and predestinating PUBLIC and HISTORIC VICTORIOUS performances of THE GOD of "the GOSPEL of the GLORY of the Happy God" (1. Tim.

1:11), or the Gospel of the Triune Family God - through the finally irresistible POWER of the NEW COVENANT of GRACE and Grace-Based Justice of the now AGAPE LOVE of the King of all the Earth!! (Phil. 2 - when every knee shall finally bow)

This will FULLY and finally represent the historically verified, the Spiritually empowered, and **the Publically vindicated Cosmic visible DEATH** of the power and dominion of the Old created Adamic world order – even **that Old serpent Satan himself; the obsolete Old Covenant, the Old life outside of Christ**, the ‘Old Lights’ that oppose the predestined Global Revival of true Grace-Based Justification AND Justice Religion.

These works will argue that Christ’s Glorious Divine-Human Person coupled with the Universal and unimpeachable, and finally irresistible SOVEREIGN Authority of His Great Global Commission MANDATE, will - through His Church Militant and Triumphant obeying the Commands and believing the Promises of Christ - **progressively, definitively and ultimately** secure the timely HISTORIC fulfilment of the NUMEROUS Old and New Testament Prophetic and Kingly Promises of ONE NEW CREATION UNDER GOD IN CHRIST. Read the Psalms to find literally dozens of these promises.

We show in this and the following works that the **ABSOLUTE SOVEREIGNTY** of God, along with the **Omnipotent Predestination of God** working through the Grace-Based Justification AND congruent Justice of God, coupled with the irreplaceable gift of the Pentecostal Power of the Indwelling Holy Spirit of Christ as the Chief Executor of Cosmic Redemption - will **progressively** and **FINALLY** obtain an “ALL ONE IN CHRIST JESUS” decisive and comprehensive Cosmic VICTORY **WITHIN HISTORY** - attended with a gloriously VISIBLE Consummation at the Second Coming or *Parousia* of Christ.

This will in God's perfect timing demonstrate the justified existential possibility; the historical VIABILITY; the visible and Governmental superiority and the eventual gold tested globally PROVEN sustainability - of a CHRISTOCENTRIC Promised Personal and Corporate, **Public and Political Governmental Paradigm and Pattern shift** of Globally Renewed and Unified Societies, Economies and Polities, Pedagogies and Justices:

Where all will be personally Fathered by God; where all are taught by the Gospel of God; where the LORD Jesus Christ as Saviour and Sovereign and Coming Judge is **given the pre-eminence in all things**; where all are counselled and changed, **enlightened and empowered** by the *Paraenesis* (instruction and example) of the **Indwelling and Exalted** Christ, in agreement with the **Orthopraxy** of the **Spirit of God and the Norma Normans** (or Ruling Rule) **of the Agape Love of Christ**; where all are brought together and fulfilled together in the Unconditionally and **Undeserved Unfailing Agape Love of the Triune Family God**.

These works justify and invite the Redemptive universal LORDSHIP **of the Sovereign LORD Jesus Christ into all of our callings and culture and Governances**: not merely accidentally or peripherally in a heuristic sense as a pragmatic postulate of so called pure or practical reason, [or a benign 'necessity' of 'Political Correctness'] where consensual or majoritarian 'Morality' [or human rights or mere natural Law] determines religion, secular or otherwise and Governance; **or where man is the measure as well as the measurer of God** and the dispenser of a 'we will get you for that' 'scaled' deserts and deterrence-based Justice.

Noetic or intellectual only and Legalistic Christianity will be exposed as powerless, Christless, Graceless and finally useless and ruthless Religion cum Law, providing NO lawful basis, no satisfactory personal and relational goodwill and good Faith grounding, with *no New Covenant Justification and with no Gospel of Grace 'infinite qualitative distinction'*, for the administration of a PUBLIC Christlike and God honouring peacemaking Justice and Salugenic Righteousness.

We show that these errant ways *represent sacrilegious and self-righteous non-conformity to the saving actions of the LORD Jesus Christ* [in His life, atoning Death, Resurrection, Ascension and present Reign at the Right Hand of God the Father], and so *with the Gospel of all Grace and Grace-Based Justice only*, and so should be given short shrift!!

Rather these works argue - we believe compellingly - for the superior 'E-Motional' Relational 'Rationality' of Christ's Once Re-generated, NOW Fully Justified and Totally Accepted, Daily Filled and Renewed '**Emo-Cognition**' and '**Emo-Volition**' **New Spirit Man**: - when we *repent* or turn away from all our self-dependence; when we turn away from all self-reliance and human fleshly and religious striving; when we forsake all our own carnal 'wisdom' resources and supposed **Moral Righteousness**, self-justification and reliance on our supposed inner strength:

Turning ONLY to Christ ALONE by FAITH ALONE, without the 'good' (and dead) deeds and merited punishments of the Law, **whether of God or man**:- for the supply of all our needs, for overflowing and deep satisfying JOY in God: **by partnering with God the Holy Spirit in the perichoretic Dance of the Gospel of God**, and by participating in the Happiness of the Blessed Triune Father and Family God;

for the OUTGOING 'all other' OUTREACHING exercise of His Agape Love, through us to others, **as the overflow of our Joy in God**, and for the fulfilment of all our and humanity's God-given healthy desires and dreams etc.

We do this by opening the door of our heart, inviting Jesus in, by truly surrendering to Christ, asking Him into our innermost being: **to break the bondage and control of our sinful and finite only fallen feeling-thought feedback loop**, to transform our being and belonging and beholding from the inside out:

By looking to and FOCUSING on Christ alone; by being extremely thankful to God in Christ for His Magisterially Merciful and very generous bestowal of His undeserved amazing Grace, being also amply furnished with our freely GIFTED new identity and new destiny as NOW Justified and Adopted children of God. We continue nourishing our New Faith and Hope and Indwelling Overflowing Love by daily Abiding in Christ, and Dying to Self as First; Overcoming with Faith and Serving by Love, **through Christ's ALREADY finished Atoning Work**, while also reckoning and counting on His ongoing, indwelling and overcoming work of Holy Spirit sanctification within our very being!!

Thus we can now live in victory by daily inviting the Holy Spirit of God to fill and control and transform our **emotional** and mental, attitudinal and behavioural relational lives; by feeding on Christ and His Word by faith in Christ ALONE through His ALONE Merits, 'working out' what God wills and does in us, through His Indwelling, enlightened and empowered Spirit performances alone; **thus giving all the Glory to God and not to man, whether private or Public Governmental man!!**

The reader will benefit from a study of Dennis and Dr. Jen Clark's book *Releasing The Divine Healer Within: The Biology of Belief and Healing*: 2015, which speaks of the critical importance

of the Brain-Gut connection and the role and power of the Emotions, (much neglected in Western Christendom); and how the Holy Spirit, once we freely surrender to His control, can take them and transform them into the Fruit of the Spirit **which is Love and which is ONE** (p. 93-97). They also expose how modern secular and even Christian counselling and psychotherapy try to wrongly break into the feeling-thought feedback loop ***through prioritizing cognitive behavioural therapy, when we should be starting with our toxic emotional life,*** surrendering it to Jesus, yielding to Jesus the FORGIVER, the Justifier, and to Jesus the Healer as the first steps toward spiritual Transformation.

This is absolutely critical Good News for victims of abuse, especially sexual abuse. Yet the world with its plethora of 'Professionals' is missing a CRITICAL dimension of **E-motional- Body-Soul-Spirit healing**, and is ignorantly and even wilfully defrauding the victims and also perpetrators of sexual abuse of the possibility of true healing and radical Transformation!!

.....

The reader is referred to a typical article by the Reporter Clair Weaver in ***Nature Vs. Nurture: Signs Your Child Is a Paedophile***, in the **Australian's Women's Weekly, May 2014** Edition, pp. 54-58. It highlights how she naïvely, and uncritically echoes the 'mild-mannered menace' of the prevalent fear mongering Media. Such a manipulative misinformation media gains purchase by buying into dark popular perceptions, with the justified but mistaken anger and vulnerability of a fearful and anxious society, supported by the so called expertise of professional counsellors who have NO answers and no TESTED GOSPEL TRUTH OUTCOMES worth reporting - **thus providing no tangible and readily accessible SUSTAINABLE hope and help for both victims and their offenders.**

Though trying to be objective while presenting the murky details about such sexual predators as 'Hey Dad's' Robert Hughes, and

the notorious paedophile Priest Gerald Ridsdale, Clair Weaver unconsciously and typically still buys into the predictably attributive, the overly assertive, the licentiously labelling, the libellously branding, and WORSE – the omnicompetent hyper-confident pretensions of the “We are here to help you” Moneyed secular ONLY Un-redemptive therapy: – leaving perpetrators, victims and us, with the poisonous legacy of a punitive or incarcerative Statism as an unsatisfactory and unsustainable force versus power default ‘solution’.

These works argumentatively **INSIST that the COERCIVE FORCE** of RAW Governmental POWER, of such repressive agendas as Mandatory Reporting, **can NEVER be their own LEGITIMATION**: especially when they Rule out of COURT, and out of LEADERSHIP, and out of Headship, the Divine Healer, the Peacemaking Public Healthful Godly Governance of the Exalted and Regnant LORD Jesus Christ, along with His Body of SPIRIT FILLED Pastoral Shepherds, and Prophet-Priest-Kings.

Statist accreditation like Church ordination, does NOT in itself guarantee Spiritual Authority or Ministerial competence; nor does it necessarily or even ordinarily secure safe and gold standard Salugenic outcomes. As Kevin Giles has well said in another context, “Often gifted lay people can (or, could if they were allowed to) do everything as competently ...as someone who is ordained” (p. 174 of his book *Patterns of Ministry among the First Christians*: Harper Collins 1992[1989]). And the moreso when such Spirit Filled Christian ‘lay’ Helpers and Healers are supernaturally Gifted, Graced, characterized and commissioned by God **to do** what no one else is qualified or called to do!!

So what Clair and so many other writers and practitioners offer is only a quasi-solution to a false problem based on an

inaccurate and unbelieving ‘No Gospel’ narrative. A far better and much wiser solution is to require more Christlike Creative and Redemptive ‘thought brokers’ and Christian Healers to get in on the act: not just in ‘the verdict,’ but to proactively participate in Christ’s Initiative of Pardoning and Transformative ‘Charisma’ solutions as these volumes do – if we may say so - **with far greater spiritual endowment, authority and power.**

Are we not growing sick and tired of a copy-cat and cooker-cutter, adulterated and secularised ‘Counselling’ Christianity that is CHRISTLESS, GRACELESS and POWERLESS like its secular only counterpart?

We respectfully but insistently ask - are these educated ‘professors’ **ALSO genuine carriers of the Grace and Glory of the Gospel of the Blessed God**, possessing a child-like Spirit wholly dependent on Father God; being also Spirit Filled and Christocentric, **evidently CRUCIFORM Contagious Christians**, since *“The Love of God has been poured out in our hearts by the Holy Spirit who was given to us”* (Rom. 5:5) – and so Spontaneously Sharing and **Manifestly Releasing the Resurrection Life** of the LOVE and Liberty and JOY of the LORD Jesus Christ – Faithing and Hoping and Loving this New Covenant Agape Blessing **into** the open-minded and humble hearted hungry and thirsty soul?

Do these professors give clear and irrefutable EVIDENCE that the Kingdom of God has NOW arrived in POWER in their own lives –“For the Kingdom of God is (NOW-jcw) ...**Righteousness** and **Peace** and **Joy** in the **Holy Spirit**” (Rom. 14:17)!

Or are the aforementioned often judgmental and self-righteous, self-assured and noticeably ‘smug,’ moralistic and often cold hearted, ‘Calvinistic’ and

legalistic persons, still stuck on a narrow and unredemptive reading, (or an Antichrist and Anti-Gospel) **punitive understanding** of Rom. 13:1-4 that is **MANIFESTLY** contrary to Rom. 12:17-21 and what follows in Rom. 13:8ff?

Are we not being duped by a carnal and rationalist, even a **'veiled' Moralistic and Merciless understanding of Justice and Righteousness that FOOLISHLY and schizophrenically bifurcates REALITY into the sacred and the secular**, and so in the process justifies the continuation of Statist Justice as Retributive and 'properly' deterrent – but which also **CRIMINALLY DEFRAUDS** very **NEEDY** people – both victims **AND** offenders - of their **NOW HUMAN Rights** and their **NOW New GRACED 'Governmental' REMEDY?**:

Defrocking Christ -

- *[of the NOW Magisterial and Merciful, Legal and Mandatory Presence, Provision, Peace and Power of God]*
- For BOTH Personal AND Public Transformation: or the now Mandated and Christ Mediated, MINISTERIAL Governmental NEW COVENANT FORMATION of Gospel Grace and Kingdom Truth for the Nations in Mt. 28:18-20.

But the likes of Clair Weaver still ask and ignorantly insist “So can paedophiles ever be cured? **The short answer is no – there has never been a proven case of someone who is attracted to children being converted into someone who is only attracted to adults**” (p.56; my emphasis).

.....

These works, we believe, categorically PUT THE LIE to this popular 'Pied Piper' follow me, prevalent FALSE

BELIEF, and ignorant, Societal and 'Professional' PESSIMISM and Statist DOGMATISM.

The likes of Claire are simply echoing the revulsion and fear that has understandably struck into the hearts of so many parents over the child abuse phenomena without realising that the DEVIL'S KINGDOM is one of FEAR and NOT Agape LOVE, and the Devil will continue to rule in the hearts of people **by default**, unless and until **our fallen flesh is Redeemed**, Regenerated and Replaced with Jesus' Forgiving, Pardoning and Preventative Agape Love!!

Thus we argue for and defend the necessity of the more Blessed and Optimistic 'rationality' and 'relationality' of a far more consistent, proven, constitutive, and Christocentric revelational sense: REJECTING the Double-Standards of a Public-Private Dualism with its Adversarial Duelism: opting for a More 'Secular' and so a More Sacred Christ Honouring Divine-Humanism and Theological Praxis; with a proactive Christian involvement with this world as Christ's world - as the Historical arena of Christ's Public and Victorious Governmental Cosmic Redemption - **rather than seeking justification for a retreat from this present world, settling for a privatized faith and a relativised Justice**, because the world is allegedly going from bad to worse!!

What these works proffer is a far more Empathic and Positive Theology in solidarity with the sinner but not with his sin; without Pastors and others participating as *parti pris* purveyors of the 'let the Devil take the hindmost' Punitive State, or being *particeps criminis* in the parlous condemnation, prosecution and imprisonment of those whom Christ has pardoned; thereby parroting the POWER yet poverty (and parvanimity of the piqued but pallid powerlessness) of the 'Sovereign' State, AND

thereby parodying the Gospel of the Kingdom of God in our midst – **perpetrating a PIOUS FRAUD.**

But our Systematic Theology of Grace-Based ONLY Justice represents a Theology of the Cross and so of FREE Pardon; inclusive of a Theology of Feeling and Grace, Revivalism and present Hope: even the Manifest Presence of the Shekinah Glory of God, even a Glorious and ‘weighty’ Mercy-Filled and ‘Righting’, even a Relational Reconciling, or equalizing ‘Jubilee’ and ennobling Grace-Based and Gospel TRUTHED, Pneumatological JUSTICE, in the fulsome New Covenant sense – made available to all FREE OF CHARGE!!

This is a multi-disciplinary Christian Worldview work seeking to provide a Distinctively Christian Theological cum Familial cum Social cum Political Historical LANDSCAPE and Big Picture Master Narrative of Creation-History- Redemptive panorama, rather than present a standard, staid, unemotional, overly rigorous and overly intellectual study focused around a single domain, as I have articulated elsewhere.

While a Christlike Public and Political Theology and congruent theopraxis are at the core of these volumes, I have not avoided but confronted and answered the crucial need for a viable ‘best practice’ authentically tested and proven Christian experience and congruent practical AND Public peacemaking theology, tracing out the crucial cosmic and unavoidable PRACTICAL, personal AND Political Public implications of the ONE and the MANY Persons of the Christian Trinitarian God:

Along with articulating the defining, good and necessary social and Governmental implications and critical applications of the CROSSWORK of the LORD Jesus Christ as the catalyst for a New

World transformation - but avoiding the blindness and dogmatism of hermeneutical straightjackets, unjustified certainty and legalistic conformity; making room to enable contextual fluidity and providing justification for flexibility within Gospel bounds:

Marking frontiers, avoiding settling for management mentalities and insisting on a deep personal AND corporate victorious healing knowing of Christ, with the power-filled living dynamic and freely gifted leading of the Holy Spirit of Christ, fostering an enlightened and empowered radical egalitarianism, and thereby avoiding unhealthy dependence on other pretend mediators and false facilitators, such as immature pastors, Christless therapists and incompetent Government 'experts'.

I do this while exploring new 'out-of-the-box' thinking and Divinely mandated territory **at the interface** of Christian theology, Christian Spirituality, Discipleship, 'Therapeutic Faith Community', Christian Grace-Based Justice and Public law; **steadfastly refusing to allow God and Gospel to be gagged from Public and secular Governance.**

Rather I seek to bring the operation of a Social Pneumatological, or face-to-face enfleshed Body-Soul - Spiritual psychology, within and out of an authentic and open LOVING 'kenotic perichoretic experience' of the 'Lord of the dance' of GOD-IN-CHRIST; of Trinity in 'Church-as-Communion,' in 'Church- as- Society' 'salting' 'enlightening' and leavening corporate humanity:

Thereby BECOMING students of the Miraculous, Developing the Power of a Christ Transformed Mind accessing Christ's life and love of promised miracles;

Dreaming with God and Enduring Uncertainty as Heaven invades Earth; Ramping up our Spiritual Warfare; Abounding in Creativity; Living Guilt-Free lives as NOW unashamed, forgiven, pardoned and now Justified Saints and Just citizens of both God and man; **Unlocking our full Redemptive potential; Becoming the Dwelling Place of God.**
